RE: *Commodity Futures Trading Commission, et al v. TMTE, Inc. a/k/a Metals.com, et al.* - Case No. 3:20-CV-2910-L; in the United States District Court for the Northern District of Texas, Dallas Division (the "Court").

Dear Investor:

I have received a number of calls inquiring about the status of the receivership. On October 5, 2021, the Court stayed the lawsuit and my activities as Receiver until the Court rules on a number of motions pending before the Court. Therefore, since October 5, 2021, there has been no activity related to your claim and the claim adjudication process has been delayed. The stay is still in effect and it is entirely within the Court's discretion as to when the stay will be lifted. You can find any updates to the receivership by visiting the website:

Thank you for your continued patience.

Sincerely,

Kelly M. Crawford
